

## **MTEC Motion**

### **Charge to the Special Focus Committee**

Since the Council has embarked upon the development of a State of the Workforce Report for Missouri and this report will include Missouri's Workforce Investment System Scorecard; and

Since the Report and Scorecard are vital to Missouri's development of an effective workforce implementation plan for meeting the needs of Missouri business and industry; and

Since support services are essential for people, served by the workforce investment system, who are transitioning from low skill/low wage jobs and from welfare to work; and

Since support services are vitally important for both strategic planning and program implementation;

Therefore, the Missouri Training and Employment Council charges the Special Focus Committee of the Council (supplemented by state and local agency staff with appropriate expertise) with the tasks of:

- ◆ Identifying the support services (ensuring job retention) needed to ensure that Missouri's Workforce Investment System responds effectively to the needs of Business and Industry;
- ◆ Drafting the Support Services portion of the "State of the Workforce Report";
- ◆ Developing the Support Services portion of "Missouri's Workforce Investment System Scorecard."
